

TABLE OF CONTENTS

Chapter 1: Overview.....	1
Risk Financing Options	1
Risks Defined.....	3
Formal Risk Financing Strategies.....	3
Chapter 2: Passive Self-Insurance versus Active Self-Insurance	7
Theory of Passive Self-Insurance	7
The Fundamental Question —To Fund or Not to Fund.....	9
Chapter 3: Developing a Risk Financing Strategy.....	11
What Is a Risk Financing Strategy?.....	12
Chapter 4: Self-Insurance and Trusts.....	15
Qualified Self-Insurance	15
Nonqualified Self-Insurance	15
Noncontrolled (Trust Agreements)	17
Chapter 5: Actuarial Art and Science	21
Loss Trending and Development	21
Using the Results	25
IBNR Loss Analysis	26
Forecasting Losses.....	29
Impact of Investment on Required Funding Levels	38
Understanding Confidence Intervals.....	39
Practical Applications for Actuarial Analysis	42
Checklist for Working with an Actuary	44
Typical Data Requirements.....	45
Chapter 6: Risk Finance Decision-Making and the Cost of Risk	47
Drivers and Consequences.....	47
Risk Financing Drivers	48
The Total Cost of Risk (TCOR).....	49
Fixed versus Variable Costs.....	49
Risk Financing Options Selection Criteria	50
Risk Appetite and Organizational Culture	51

Chapter 7: Insurer-Driven Risk Retention Plans	53
Incurred Loss Retro (ILR)	53
Paid Loss Retro (PLR).....	54
When Are Loss Ratios Indicated?.....	55
Advantages and Disadvantages	55
Tax and Accounting Implications	55
Chapter 8: Insurer-Driven Risk Retention Plans—Deductibles and Self-Insured Retentions	59
Insurer Responsibilities in the Event of a Loss	59
Collateral Requirements	59
Defense Costs	60
Certificates of Insurance	60
Limits of Erosion	61
Tax and Accounting Implications	62
How to Implement	62
Chapter 9: Insurer-Driven Risk Retention Plans—Participating Plans	63
When Is It Indicated?.....	64
Advantages and Disadvantages	65
Tax and Accounting Implications	65
Chapter 10: Introduction to Captives	67
An Insurance Company	69
A Corporate Taxpayer	70
An Alternate Method of Managing Predictable Risk	70
A Risk Management Strategies Platform.....	70
A Potential Profit Center	71
Chapter 11: Captive Characteristics and Types.....	73
Captive Fronting	73
Excess Insurance and Reinsurance	75
Onshore versus Offshore	75
For-Profit versus Not-for-Profit	75
Homogeneous versus Heterogeneous	76
Four Major Captive Types	76

Chapter 12: Captive Insurance Companies	93
Benefits of Captives.....	93
Risks or Drawbacks of Captives.....	94
Potential Benefits of Captives.....	94
Potential Risks or Drawbacks Associated with Captives	101
Chapter 13: Captive Domiciles and Regulation	105
Tax and Accounting Issues in Bermuda and Vermont	105
Nonadmitted Assets	106
Grossing Up Assets and Liabilities.....	106
Statutory Capital and Noninsurance Commitments	107
Discounting of Loss Reserves	107
Minimum Levels of Capital and Surplus.....	108
Chapter 14: Building the Captive Premium.....	111
Captive Expenses.....	112
Captive Savings	114
Chapter 15: Key Captive Performance Ratios and Benchmarks.....	115
Loss Reserves	115
Capital and Surplus.....	116
Benchmark Ratios Used to Measure a Captive's Financial Efficiency.....	118
Chapter 16: Captive Insurance Companies	121
Collateral Types and Rationale	121
Why Do Insurers Require Collateral?.....	121
Schedule F	122
The New York Regulation 114 Trust	125
Chapter 17: Captive Asset Loan-Backs	127
Advantages and Disadvantages	128
Chapter 18: Captive Fronting.....	129
Cost.....	129
Collateral.....	129
Control.....	130
Advantages and Disadvantages	130
When Is It Indicated?.....	131

Chapter 19: Standard Lines of Captive Insurance	133
Workers Compensation	133
Deductible Reimbursement Policy	134
DRP Not a Fronted Program	135
General Liability	135
Real Property	135
Large Homogenous Groups	136
Single-Parent Captives	137
Automobile Liability	138
Nontransportation Companies	138
Hybrid Companies	139
Transportation Companies	139
Chapter 20: Nonstandard Captive Strategies	141
Business Development/Competitive Advantage	142
Financial Efficiency	142
Financial Impact	145
Chapter 21: Captive Service Providers and Their Roles	147
Captive Managers	147
Selecting a Captive Manager	148
Roles and Responsibilities of Captive Managers	149
Financial Reporting	152
Compliance Reporting	152
Internal Controls	153
Stewardship Report	154
Actuary and Consultant	154
Strategic Review and Risk Analysis	156
Feasibility Study	156
Periodic Review	158
Derivation and Review of Key Financial Metrics	159
Auditor	160
Law Firm	162
Chapter 22: Employee Benefits in Single-Parent Captives	165
The Coca-Cola (Coke) Retiree Medical Prohibited Transaction Exemption (PTE)	168

Chapter 23: Risk Retention Groups and Risk Purchasing Groups	171
Regulatory Issues with RRGs	172
A Medical Malpractice RRG	172
Creditworthiness	173
Stretching the RRG Boundaries	173
The Automobile Warranty Business and RRGs	174
Chapter 24: Tax and Accounting Issues in Formal Risk Financing	
Structures	177
History of Captive Tax and Accounting Issues	177
What Is Insurance Accounting?	178
Insurance for Tax Purposes	179
Satisfying the Risk Shifting and Risk Distribution Requirements	179
Third-Party Insurance Business	179
Sources of Third-Party Insurance Business	180
Types of Legal Structures (for Tax Purposes)	180
The Insurance Controlled Foreign Corporation (CFC)	181
The Noncontrolled Foreign Corporation	181
CFCs and NCFCs—The Pitfalls	182
Making the 953(d) Election	182
Federal Excise Tax	183
Avoiding Sham Status	183
Financial Accounting Standard 113	184
Private Letter Rulings	185
Accounting for Uncertainty in Income Taxes	185
Small Insurance Company Tax Issues	186
Important Revenue Rulings	187
Direct Procurement Taxes	188
Chapter 25: Integrated Risk Programs	189
Risk Is Not Risk	189
Modern Portfolio Theory	190
Making the Case for the Client and for the Insurer	192
Analysis	194
Chapter 26: Structured Insurance	195
Finite Risk Insurance	195
Financial Accounting Statement 113	195
Structured (Re)insurance Arrangements	196
Using Structured Insurance to Enhance Business Goals	201

Chapter 27: Loss Portfolio Transfers and Aggregate Stop-Loss Covers	209
LPTs versus Aggregate Stop-Loss Coverage.....	209
Chapter 28: Reinsurance and Excess Insurance.....	217
Reinsurance Terminology	217
Premium Surplus Relief.....	221
Two Basic Types of Reinsurance: Facultative and Treaty	223
Statutory Accounting Aspects of Reinsurance.....	227
Reinstated Excess of Loss (RXoL).....	234
Chapter 29: Financing Risk in the Capital Markets	239
Loss Triggers in Capital Markets Risk Financing	240
Derivatives and Insurance Linked Securities	240
An ILS Example	242
Catastrophe Bonds	243
Weather Risk Financing.....	255
Chapter 30: Financial Metrics Every Risk Professional Should Understand	263
Weighted Average Cost of Capital.....	263
The Capital Asset Pricing Model.....	165
Cost of Debt.....	270
Sources of Risk Capital	271
Appendix A: Active Captive Domiciles Chart.....	273
Index	289
